

Announcing a second camping option at Indian Ranch for longer stays!!

Our glamping option was so successful that we added another 5th wheel for longer stays. This beauty can be rented by the week or the month and there is no additional surcharge on concert dates. The rate you pay for a week is the same no shows, one show 2 shows or more.

An extended stay in this camper is the perfect way to experience all Indian Ranch has to offer without camper ownership. Live like a seasonal camper, take in a show, visit Samuel Slater's Restaurant. Sit by our saltwater pool, take a paddle boat ride on the Indian Princess or just relax and cook some dogs and burgers on the grill.
